What is Xfinity On Campus?

Xfinity On Campus gives students access to live TV and thousands of movies and shows directly on their laptops, desktops and mobile devices with Xfinity Stream.

Do students need to pay extra for access to Xfinity Stream?

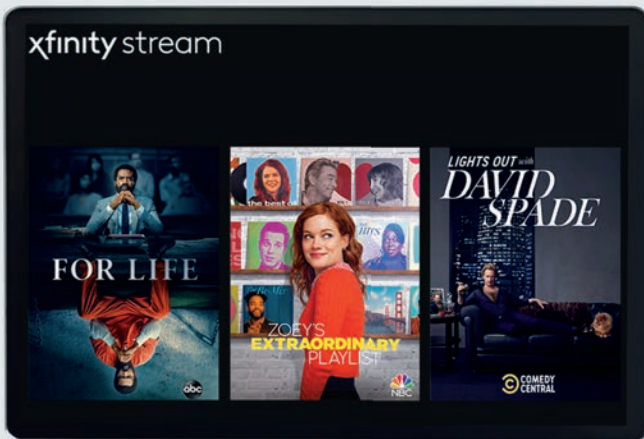

No, students do not need to pay extra for access to Xfinity Stream. Access is already included with campus housing fees. All students need to do is log in and start streaming their favorite entertainment.

What entertainment is available with Xfinity Stream?

With Xfinity Stream, students can watch live TV, sports, and thousands of the biggest shows and movies. Students can also upgrade their service with premium channels like HBO®, Starz®, Showtime®, the Xfinity Sports Entertainment package and more by setting up an individual account with their credit card.

Where can students use Xfinity Stream?

Students can access their favorite entertainment anytime, anywhere when connected to their campus network. They can even download 20 hours of their favorite content to watch when they're offline.

Zoey's Extraordinary Playlist available on NBC on Xfinity Stream app
