

# Penn CURF

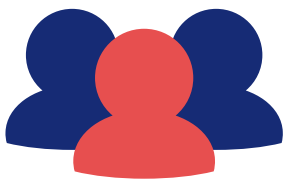

CENTER *for* UNDERGRADUATE RESEARCH & FELLOWSHIPS

The first step is getting connected:

## Connect

- Sign up for our listserv
- Meet with a Research Peer Advisor
- Follow us on social media
- Make an advising appointment

## Attend

Whether you're just starting to think about how to get started in research or are ready to apply for a major fellowship, get your questions answered at a CURF info session!

## Explore

The Research Directory includes Penn faculty members representing every field who are open to working with undergraduates!

## Apply

CURF can help you find funding for your undergraduate research project or your post-graduation experiences.
